

MODULE 3 FATHER-FOCUSED

Sessions 10-17 Activations and Home Tasks

We develop and use our prophetic-heart vision to see Father God and to partner with Him. As sons, we inherit everything that Father has and who He is by relationship with Him. As part of this wonderful relationship, we can consciously working side by side with our Father, fulfilling our earth-mission, completing work projects with success because Father and son are working together.

A brief explanation about activations: Activating our identity as sons of God and rising up to be so very close to Father God is what we will be doing during our sessions and home tasks. Each session includes a practical exercise designed to activate the reality of the word you heard during the teaching. As you complete each session's activation exercise, you will become more confident, feel more empowered, and you will experience God's presence and hear His voice. For another opportunity to deepen your experience with God, you will be assigned home tasks too.

Session 10 Touching God

As sons of God, we possess the glorious privilege of personally knowing and touching Father's character or features of who He is. As sons, we get to touch God's character. We can perceive His essence, which is how He thinks, how He feels, specific acts, specific steps, His heart desires and pleasures. When God displays His nature to us, we touch who He is and we are changed.

A distinct feature of the entire series is found in this session. We will learn about and practice an excellent way to access God's manifest presence, in any situation. It's called: Talk to God about God. Key components are: (1) I talk to Him about His Name or His nature; (2) I talk to Him as One who is standing or sitting in front of me; (3) I talk to Him about who He is and what He is doing; (4) I express my relationship to God and His relationship with me.

Session 11 I See Father

I want to recognize my Father. I want to be aware of His presence. I am empowered by directing my attention toward You, Father. When I see You, I gain the power of Your revelation and presence.

In John 14, Jesus tells us that Father will be with us wherever we are and we will clearly recognize Him. We are starting to know Him as always the *Revelation God*, always the *Know Me God*.

<https://youtu.be/RZfiEGOVMyo>

ACTIVATION. Father is always the Know Me God.

- A. We will practice speaking with God about God. Remember, we practiced this in our previous session.
 - We will speak with Him about who He is as the Revelation God, the One who says “Here I am. Know Me!”
 - You will need the PDF download, ***Beholding Key: Always Revelation God***. You will find it attached to this video. Please pause this video to download the *Beholding Key: Always Revelation God*. Read the pdf. When you are ready, press play.
<https://www.dropbox.com/s/vvwkjbcqji0ljiz/Keys%20always%20know%20me.pdf?dl=0>
- B. What is a Beholding Key?
 - It is a list of relevant scriptures to describe a particular name or characteristic of God.
 - We can use the Beholding Key to help us get started in Speaking to God about God.
 - Beholding is the act of focusing our direct attention upon God. It is using our quark-vision to discover God.
- C. Give example. I will begin speaking to Father from the Beholding Key, talking to Him about Who He is, as if He is sitting with me. I won’t ask Him for anything.
- D. Now it’s your turn.
 - Refer to the Beholding Key: Always Revelation God (PDF download).
 - Begin speaking to Father about something current in your life. Talk to Him about Who He is, as if He is sitting next to you. Do not make any requests.
 - Say statements to Him, about Him.
 - As you are speaking, Pause to give opportunity for His response. (Say and See. Say and Look. Say and listen. Say and watch. Say and experience.)

{instrumental music for 4 minutes}

- E. After the beholding session
 - How did this activation affect you?
 - What is different now, after you did the activation exercise?

DECLARATIONS:

- I receive and walk in my sonship inheritance of John 5:19—I see what Father does and I do likewise.

- I am empowered by directing my attention toward You, Father. When I see You, I gain the power of Your revelation and presence.

HOME TASK. Turn and BOOM, for you and me.

I. Turn and BOOM Mini-Series

- A. A few years ago I created a mini-series about how to discover God in the middle of any circumstance.
 - The series is called “**Turn and Boom.**”
 - In the series I tell about how to perceive the gain or advancement which God has for you.
- B. When we look for God, when we use our quark-vision and focus upon Him, we receive huge rewards. We gain a lot!
 - When we encounter God, and when He encounters us, God transfers heavenly resources to us. He causes gain or advancement to happen for us.
 - What is gain from God? Gain- receive something of value from God, we advance, breakthrough, experience new possibilities, fresh hope, solution to a problem, tangible presence of god, end of fear and beginning of confidence.

Session 12 Recalculating

Champion sons look for and focus upon Father's goodness.

Focusing on the negative blinds us to Father's presence. If we stare at our challenges, we can forfeit experiencing God with us. Father is always with you, in you, but are you focusing on the privileges of this fact? Looking in the wrong direction (away from what Father God is doing) will shift your course onto a more difficult path. Focusing on the problem feeds the problem.

For sons, God's goodness is our compass. It's the only way to be champions. We must see Father to walk in championship thoughts and behaviors.

https://youtu.be/947PILm_Yew

ACTIVATION

I. Redirect our focus to Father's goodness.

- Most of us can say that we have struggled with big challenges and disappointments. Especially in our fields/ assignments/ workplaces/ responsibilities.
- Viewpoint that drains your productivity-- I primarily focus upon what is not happening, or what is missing.
- This viewpoint makes us dull and uncreative, and we will miss what God is giving.
- Seeing Father and His goodness in our field is the key to powerful productivity.
- He is ALWAYS 100% involved in my circumstance.

II. Activation instructions- 10 minute application.

1. Holy Spirit, please highlight one of my current challenges.
2. Practice a "beholding God session" with *Beholding Key: Always Good God*.

<https://www.dropbox.com/s/vvzdxp6z4uf62b7/db%20ALWAYS%20the%20Good%20God%202.d?dl=0>

A. What do I mean:

- Speak to Father about Father. He is sitting with you in the midst of your challenge.
- Speak about how He is good in your challenge.
- As you are speaking, pause to give opportunity for His response.

B. [Slide 4] After your beholding God, ask Father these questions:

- What am I choosing to believe about You Father and who You are in this struggle?
- What do I see and what do I believe about You?
- Do I see that You are with me, 100% involved in my circumstance?

[keep slide 4 on the screen. start instrumental music. Play for 8 minutes.]

DECLARATIONS:

- You are God Who always creates life and gives abundance of life. You are my "Always Life Father." John 10:10
- I am a champion son who actively looks for my Father's goodness in my field.
- My Father's goodness opens doors that no man can shut.

Session 13 Practicing My Quark Vision

Every day, all day long, we have opportunity to choose to look for the good which God has prepared for us. Or we can allow concerns, weights, problems to become our compass.

Judges 14 tells us about Joshua and Caleb who used their “God-focusing binoculars” to focus on what God wanted to do through them. They intentionally looked for God’s goodness, despite the negative situation and reports from other people. They did not focus on the giants in the land. Yes, they acknowledged the giants were there, but Joshua and Caleb did not allow the giants to determine their responses and decisions.

ACTIVATION

I. OVERVIEW

- A. *Beholding Key - God always gives GAIN.* Pause video to download the **Beholding Key**, and press play when you are ready to return.

<https://www.dropbox.com/s/m0h0arjexb21ymk/ALWAYS%207%20keys%20ENG.pdf?dl=0>

- B. During this activation session, you will talk to God about who He is as the *God who always gives Gain.*

- I would like to say something about the power of you speaking out loud to God about the truth of who He is:
 1. When I speak aloud about Him, I am agreeing with Him. I am creating life, opening up a pathway of truth, that I can walk upon. I am releasing the substance of Faith. I am tasting truth.
 2. When I do this, my heart is fed by God, by the knowledge of God. Which brings a “yes” faith response to my heart.
 3. When I speak it, I experience more of God. Which, in turn, influences my seeing God. I see and understand more of Him. The process feeds itself.

II. INSTRUCTIONS PART 1

Use *Beholding Key - God always gives GAIN.*

- Holy Spirit, I ask You, please highlight one of my current challenges.
- Say the Gain passages in the middle of your situation; speak to God about Him, as if He is sitting with you.
- Do not ask Him for anything.
- As you are speaking, Pause to give opportunity for His response.

>> instrumental music for 5 minutes<<

- C. After- How did this activation affect you? What is different now, after you did the activation exercise?

III. INSTRUCTIONS PART 2

1. Regarding your current season, ask Him to highlight His favorite “gain” scripture from the *Beholding Key*, or use Psalm 31:19.

“How great is Your goodness that You have reserved for those who fear You, that You have set in place for those who take refuge in You, in the presence of the children of men.” Psalm 31:19 (Sveta please translate exactly.)

- What the enemy means for evil, God will use for good. "As for you, you meant evil against me, but God meant it for good..." Genesis 50:20a

II. PRACTICE YOUR QUARK VISION.

- A. Consider a recent struggle you experienced at your workplace. Ask Holy Spirit to help you ask questions of Father about the struggle.
- B. Ask Father:
- What am I choosing to believe about You, Father, and who You are in this struggle?
 - What do I see and what do I believe about You?
 - Do I see that You are with me, 100% involved in my circumstance?
 - How have You prepared good and gain for me in this struggle?

Session 14 Happy Agreement Club

We are the happiest when we agree with God. He is loved best when we agree with Him.

Sometimes, we are stuck in an area of our lives because we lack agreement with God. We don't recognize Him or we misperceive Him. It's not that we don't want to agree, or we don't want to be obedient. Many times we simply don't know how to agree with Him.

To agree with God, we first need to perceive what He is doing and who He is (what nature is He displaying to you). When we know this, then we can say what we see about Him, which is the beginning of our new agreement.

We agree with our mouths and with our actions. When we actively engage in agreement with God, our perspective changes, which changes the situations and things around us. Agreement with God will cause you to advance, or to experience the good which God has prepared for you.

Session 15 Inheritance from Abba Father

As sons, we inherit everything that Father has and who He is by relationship with Him. *“Son, you are always with Me, and all that is Mine is yours” (Luke 15:31).* Father gives His presence and intimate relationship as inheritance. He gives Himself-- His DNA.

As part of this wonderful relationship, we can consciously working side by side with our Father, fulfilling our earth-mission, completing work projects with success because Father and son are working together. *“In [Jesus] we have obtained an inheritance, having been predestined according to the purpose of him who works all things according to the counsel of his will” (Ephesians 1:11).*

https://youtu.be/8Lv_cuM9Ik4

ACTIVATION

Be Intentional. Deliberate. Planned. Purposeful.

- Live in active faith as a son of God. Do this daily.
- What can active, intentional sonship look like?

(1) Intentionally KNOW FATHER GOD. (conversations, questions to Father)

(2) Deliberately BE YOU – A SON. (Watch and listen for Father. Use your son authority to make declarations and influence the territory where you are.)

(3) Purposefully walk in PARTNERSHIP with Father God, wherever you are and in whatever you are doing. (Father, I bind myself to You. I declare You are Father in this current situation. I declare You are El Shaddai. I focus on YOU. I do what I see my Father doing.)

Father, how can I be intentional with You, right now in (1) (2) (3) **(especially in my work field)?**

DECLARATIONS: I would like for you to see review what you received from the activation exercise. Then use some of it to make 2-3 declarations about your choices. Wherever you are right now, speak aloud the declarations. We will give a few minutes to do this. <instrumental music 3 minutes.>

Home Task. Your earthly mission or purpose.

Your earthly mission or assignment is an inheritance from Father.

Father gives us importance on the earth by giving to us an earthly mission/purpose that produces something.

In [Jesus] we have obtained an inheritance, having been predestined according to the purpose of him who works all things according to the counsel of his will. Ephesians 1:11

Let's ask Father about your current assignment, or mission. Go to a quiet place where you can speak with Father uninterrupted.

Father, I ask You for revelation and understanding about the important mission or purpose which You have given to me. I would like to better understand my current place or assignment in which You are partnering with me.

1. Father, what is my current assignment or mission?
2. How does it fit with where I am currently working?
3. Father, how have You anointed me in this assignment?
4. What are Your promises in this assignment?

Session 16 First and Second Intimacy with Father

God empowers us to fulfil our life missions as His son, by personal intimate relationship. There are two factors:

First intimacy- Father designed us to know Him and experience Him in our secret prayer life, and in our thoughts and hearts. The first intimacy is experiencing Him and knowing him personally, aside from work.

Second intimacy- He desires His sons to be united with Him in practical matters, such as during our working task. I like to call this the second intimacy –consciously working side by side with our Father, fulfilling our earth-mission, completing work projects with success because Father and son are working together.

Jesus lived as a Son on the earth, fulfilling His earth-mission, by practicing first intimacy and second intimacy with Father. Jesus had to remain in both dimensions of relationship with Father to faithfully complete His assignment on earth.

<https://youtu.be/EgeDB7mLJFU>

ACTIVATION. Response to El Shaddai's invitation.

Part 1

- Will you allow Me to bind Myself to you?
- Will you allow Me to speak directly to you and will you respond?
- Will you bind yourself to Me?
- 1. Respond to Father's questions on the slide by speaking aloud to Him.
- 2. Ask Him for practical ways to "bind" yourself to Him.
- 3. Write what you receive.

>> instrumental music 4 minutes<<

HOME TASK. El Shaddai is my Father.

Download: *Beholding Key – El Shaddai PDF*

Father invites us to incline our heart and mind toward Him – INTO Him – and draw all of resource from the treasure of Himself. He is the source of all of our confidence. He especially pulls us close to Him as *Almighty God, El Shaddai*. This is the personality characteristic He has chosen to reveal to us as a core understanding of who He is as Father.

His name identifies and describes who He is, how He thinks, how He functions. When God reveals His name, He is revealing Himself personally. It is God himself described by a name or a personality characteristic.

Instructions Part 1. Breakthrough acceleration activities

1. Ask and listen, record what you receive. “Father, How are You El Shaddai for me in this season?”
2. Additional questions which you can use daily, or to help you rise above a challenge:
 - a. El Shaddai, what are You doing?
 - b. What are You saying?
 - c. What are You thinking?

Instructions Part 2. Challenge breakthrough.

1. Choose a challenging project or event in which you are currently involved. During the project or event, speak with El Shaddai about who He is, about His relationship with you, and declare Him INTO the project or event. Continue to do this throughout the project duration or event duration.
2. The BEST time to speak with El Shaddai, as God Who is always with me: When we are involved in a challenge, or when we are feeling afraid.
3. If we being to practice speaking to God as El Shaddai, speaking to Him about who He is, the revelation and experience of Him will become more real in our lives. As we do this, eventually we will begin to process circumstances in our lives from this view of who He is as El Shaddai.

Session 17 Crushing Giants

Our biggest giant is fear. Fear's main goal is to separate us from God. Fear's ultimate goal is to strip me of my identity as a son of God.

When we entertain fear, when we hide fear within our beings, it becomes very difficult to see God. Fear causes us to ask, God where are You? We continue the conversation by accusing God, claiming that He has abandoned us.

Fear blinds us from perceiving what God is doing in a situation. Fear deafens us from understanding what God wants to do for us. When we allow fear to counsel us, we forget that we are sons of God. When we believe lies about our Father God, listening to fear instead of our Father God, we start to relinquish our confidence as a son. It seems like God is far away, which leads us to thinking and acting like orphans.
